

# TDLCDMP

## Media Player Box

### Features :

- Industrial design, small and portable, matching monitor, video wall, LED screen for advertising
- 4 function modules include network release, local release, app manager and system settings
- Supports video, picture, audio, txt, PDF, IPC stream, time, weather and other multimedia information released, made for advertising industry
- Support the program material off the network or outage resume function, greatly save bandwidth and network flux
- TD MPS platform provides unified remote management for system integrators and media operators

### Technical Specification

#### System

|                  |                                   |
|------------------|-----------------------------------|
| Model            | TDLCDMP                           |
| CPU              | Quad-core Cortex-A17 up to 1.6GHz |
| RAM              | 2GB                               |
| ROM              | 16GB                              |
| Operating System | Android 8.1                       |

#### Performance

|                             |   |
|-----------------------------|---|
| Management Platform         | MPS   |
| Material Type               | Audio, video, image, time, weather, countdown, txt, web page, stream media, pdf                       |
| Audio/Video Encoding Format | Mp4, avi, mov, asf, wmv, rm, rmvb, mkv, jpg, jpeg, gif, bmp, png, mp3, wma, wav                       |
| Scrolling marquee           | Support   |
| Play Mode                   | Instant play, specified time play, periodic play, inter-cut play                                      |
| Play Schedule               | Day, week, month, festival, custom  |
| Decoding Capacity           | 1CH H265 4K@60/2CH H264 4K@25/2CH H265 1080P@30&2CH H264 1080P@25/4CH H265 1080P@30/2CH H264 1080P@25 |

#### Connectivity

|                  |                            |
|------------------|----------------------------|
| Input            | RJ45×1, USB2.0×2, SD×1,    |
| Output           | HDMI2.0a×1, Audio output×1 |
| External Control | RS232×2                    |
| Wi-Fi            | Yes, only 2.4GHz           |

### Mechanical Specification

|                   |              |
|-------------------|--------------|
| Dimension         | 150×100×30mm |
| Package Size      | 266×239×77mm |
| Gross Weight      | 0.87kg       |
| Installation Mode | Desktop      |

### Power & Environmental Conditions

|                              |                   |
|------------------------------|-------------------|
| Power                        | DC 12V/1A         |
| Type                         | Internal          |
| Max Consumption              | 4W                |
| Standby Consumption          | 2W                |
| Working Temperature/Humidity | -10℃~+55℃/10%~90% |
| Storage Temperature/Humidity | -20℃~+60℃/5%~95%  |

### Accessory

|                 |   |
|-----------------|---|
| Included in Box | Power cord, adapter, Wi-Fi antenna, user manual, remote control |
|-----------------|---|
